

THE MISSING TRAVELLER

You figured it out.

LATEST UPDATE

We just received a message from someone in the city.

She was spotted — sitting alone at a table, staring out the window. She had her notebook open. She ordered something but didn't stay long.

The person who saw her said she looked like she had finally made up her mind about something.

LOCATION CONFIRMED

C1 Espresso — Cathedral Square, Christchurch.

She was there. And she left something behind.

YOUR NEXT MOVE
