

A decorative border of simple line drawings of flowers and stems is scattered around the edges of the page. The flowers have three or four petals and some have small leaves or buds.

*Hey,
You weren't actually looking for me.
I wasn't lost.
I wanted people to find each other.
You were supposed to meet.*

*Grab a coffee.
Celebrate.
Swap stories.*

*Maybe this is where something starts.
Exchange Instagram if you want.*

Mission complete.

*You arrived as strangers.
You leave with a shared story.*
